TOP DOCTORS 2026

Matthew Chang, MD

Dr. Matthew Chang, MD, is proud to once again be recognized by his fellow physicians as one of Colorado Springs' Top Doctors, an honor that reflects his commitment to delivering exceptional eye care and outstanding patient outcomes.

As the owner and medical director of Skyline Vision Clinic and Skyline LASIK, Dr. Chang, a board-certified, fellowship-trained cornea and refractive ophthalmologist, has performed more than 80,000 procedures throughout his career, including 40,000+ cataract surgeries and 20,000+ vision correction procedures. His expertise, combined with a patient-first approach, has helped thousands of individuals throughout Colorado achieve clearer vision and improve their quality of life.

At Skyline Vision Clinic, Dr. Chang provides comprehensive medical and surgical eye care, specializing in laser-assisted cataract surgery with premium intraocular lenses (IOLs) and corneal transplant procedures. At Skyline LASIK, he offers advanced refractive procedures, including LASIK, PRK, EVO ICL™, and Refractive Lens Exchange (RLE), providing customized vision correction solutions for patients seeking greater visual freedom. Skyline LASIK is also proud to be the only practice in Colorado to offer WaveLight® Plus technology, delivering a truly personalized laser vision correction experience designed around each patient's unique eye anatomy.

Known for taking the time to educate and guide each patient, Dr. Chang believes that informed patients make the best decisions about their eye health. He emphasizes personalized treatment plans and open communication, ensuring every patient understands their options and feels confident throughout the process.

"Today's vision correction and cataract technologies offer more choices than ever before," says Dr. Chang. "My goal is to help each patient understand those options so we can make the best decision together. Every treatment plan is individualized because every patient's vision goals are unique."

For Dr. Chang, being named a Top Doctor is a meaningful recognition from his peers, but his greatest reward continues to be helping patients see more clearly and enjoy a better quality of life. He remains dedicated to bringing the latest advances in ophthalmology to the Colorado Springs community while providing compassionate, personalized care.

Dr. Chang is currently accepting new patients at both Skyline Vision Clinic and Skyline LASIK.
